everyone working in the space of brands marketing and communications has seen their job change rapidly in recent years in particular the agency business has been forced to rethink and redefine its role as well the impact of the new economy and the establishment of the experience economy model has changed everything we have known about marketing brands customer perspectives and the rules dynamics defining the relationship between these elements multidisciplinary inclusion have become mandatory requirements for everyone dethroning traditional creatives from the leadership to a more equal level with other disciplines practices data

technology have become the new language design experience are the new religions a new generation of leadership is rising with a system consciousness as an effect of the digital age i truly believe in the power of sharing to make changes and this is the reason why i am sharing this work after spending the last 20 years in different business contexts as a consultant for private companies and startups as a chief design officer for a venture incubator and an executive for agencies i decided to summarize everything i have observed and discovered about the relationships between companies teams operational models business results innovation and growth in this blueprint i do not expect everyone to agree with my work and my vision won t be a fit for all but i am sure that everyone will find something in these pages useful and different from their perspective capable of stimulating questions or reflections how can company management organization be more holistic multidisciplinary integrated human centered systematic inclusive and create the conditions to trigger innovation

available in a first edition print run strictly limited to 4 000 copies fabric tells the story of one of the most revered clubs in the history of dance music culture fabric captures the journey of a small group of enthusiasts who rebelling against the commercialisation of the rave scene converted a derelict meat store in an unfashionable part of london into a venue that remains a cathedral for undiluted dance music with a global following featuring stories about the club s birth struggles and successes as well as rare photography and iconic artwork and an oral history by joe muggs featuring over one hundred testimonies from the legendary djs associated with fabric this is a celebration of the colossal impact fabric has had on club culture over the last quarter of a century above all it s a story about the misfits and visionaries who made it happen the curators and resident djs who have kept it true to its roots and the experiences of clubbers on the dancefloor

the last great work of the age of reason the final instance when all human knowledge could be presented with a single point of view unabashed optimism and unabashed racism pervades many entries in the 11th and provide its defining characteristics despite its occasional ugliness the reputation of the 11th persists today because of the staggering depth of knowledge contained within its volumes it is especially strong in its biographical entries these delve deeply into the history of men and women prominent in their eras who have since been largely forgotten except by the historians scholars the guardian theguardian.com books booksblog 2012 apr 10 encyclopedia britannica 11th edition
