this practical guide to children's common errors and misconceptions in mathematics is ideal for primary trainees helping them gain a deeper understanding of the difficulties encountered in mathematical development this second edition has been fully revised and all links to the EYF and the revised primary framework have been updated new research and literature are included additional errors are considered and using and applying mathematics is fully embedded throughout individual misconceptions are dealt with and in each case a description and explanation of the error is provided the teacher's role in understanding and addressing common misconceptions is also covered

expectations in primary English are high particularly in reading there is an emphasis on inference and deduction together with vocabulary development two key elements for preparing pupils to access texts at a higher level at the same time there is also a change in the rhetoric around guided reading with teachers trying different pedagogies in order to fully prepare pupils for the demands of the reading curriculum this book explores the various approaches to developing higher level readers

one of the most problematic areas in the teaching and development of literacy appears to concern children's interactions with non-fiction books many surveys and reports have commented on the tendency for children to do little more than copy out sections of non-fiction texts the Exeter Extending Literacy ExEL project was set up with the aim of exploring ways in which non-fiction might be used more effectively and profitably than this in this book David Wray and Maureen Lewis outline the thinking behind the project and describe in detail the many useful teaching strategies and approaches which were developed in collaboration with primary teachers across the country teachers of children from five to fourteen will find this book both a stimulating account of a very influential development project and a useful source of practical teaching ideas

with an emphasis on developing a reflective resilient approach that will ensure both effective teaching and teacher well-being surviving and thriving in the

secondary school covers key issues that may be encountered in the day to day practice of teaching in the secondary school with evidence based practice at the forefront this volume allows new teachers to avoid common pitfalls of teaching and it will help provide a new found confidence within the classroom including a wide range of tasks that will help guide and demonstrate successful practice this book covers topics and concerns such as building relationships within teaching managing and responding to change becoming an inclusive educator working to improve classroom climate and pupil behaviour assessment homework and marking inclusion of digital technologies and ict looking after yourself and your professional development surviving and thriving in the secondary school can be utilised to help support and provide ideas on specific areas of concern or it can be read as a continuing professional development cpd companion allowing practice to be developed and refined written by world renown experts in the field this volume provides support for all newly qualified teachers and is an essential resource for the first year of teaching and beyond

the teacher s guide provides notes for each text introduction answers to the comprehension questions and further activities including at least one speaking and listening task

complete comprehension 1 2 and 3 are three workbooks for junior and middle secondary english complete comprehension provides a consistent approach to developing and practicing the vitally important skill of reading with comprehension and responding to written and visual texts this series acknowledges the importance of difference and diversity in texts and provides excellent models of a wide range of text types each book has several units of work each divided into the following sections on the surface basic literal questions delving deeper inferential or interpretive questions hidden depths creative critical or higher order thinking questions discoveries questions about the purpose structure and features of the text extend yourself open ended questions that provide opportunities for students to respond by writing viewing listening and speaking complete comprehension provides writing scaffolds to assist students in developing their own texts it also includes a system of ongoing assessment so that individual improvement can be recorded and monitored over time by both students and teachers the teacher answer book contains all the material from student workbooks but with answers filled in where applicable

the importance of being able to read for meaning should never be underestimated the ability to decode text is not enough it is vital that children understand what they are reading more importantly it is fundamental that they enjoy what they are reading so that they grow up to become lifelong readers the passages in the brilliant activities for reading comprehension series are designed to do just that they provide children with a variety of engaging enjoyable texts that will grab their attention and indeed their teacher s attention as well the types of comprehension passages range from newspaper articles and dialogues to plays stories and poems they gradually increase in difficulty as you progress though the book and through the series encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text tasks range from simple factual recall and vocabulary work to more open ended questions enabling the reader to provide a more personal response the cross curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast finishers

this text examines the argument that a contributory factor to boys underachievement is the predominance of women teachers in primary schools which has led to classroom management and teaching styles which favour girls

improve your child s reading comprehension at home using this invaluable english skills practice workbook the accessible practice questions help to build confidence and prepare children for the ks2 national tests ensuring children can read with good understanding is one of the main aims of the new primary curriculum this english comprehension practice workbook helps to improve comprehension skills across fiction plays poetry and non fiction included in this book colourful images and diagrams throughout mixed practice questions at the back of the book easy to follow answers and marking scheme key to comprehension easy to understand introduction to each topic with worked examples practice activities lots of questions to see how well your child has grasped each skill top tips helpful prompts for your child as they read the extract or approach the questions answers to every question
