decisive argument on the issues under review by one of the leading anglo saxon scholars

bibliographie de livres en langue espagnole destinés aux enfants américains du début à la fin du secondaire

this unique work is an annotated collection and collation of western writing on indian dance from the period of marco polo s travels to india to the formulation of the anti devadasi bill in 1930 and a little beyond the book reproduces more than 250 extracts from important texts which provide examples of how dance in india was perceived as an art as well its position in the broader cultural religious social and ethical environment though some excerpts from these texts are cited in other writings on indian dance history there is no other available work that reproduces such a large number of historical writings on indian dance and places them in a fluid historical context
