why is there such a striking difference between english spelling and english pronunciation how did our seemingly relatively simple grammar rules develop what are the origins of regional dialect literary language and everyday speech and what do they have to do with you  
seth lerer  
s  
inventing english is a masterful engaging history of the english language from the age of beowulf to the rap of eminem many have written about the evolution of our grammar pronunciation and vocabulary but only lerer situates these developments in the larger history of english  
america and literature  
lerer begins in the seventh century with the poet caedmon learning to sing what would become the earliest poem in

english he then looks at the medieval scribes and poets who gave shape to middle english he finds the traces of the great vowel shift in the spelling choices of letter writers of the fifteenth century and explores the achievements of samuel johnson s dictionary of 1755 and the oxford english dictionary of the late nineteenth and early twentieth centuries he describes the differences between english and american usage and through the example of mark twain the link between regional dialect and race class and gender finally he muses on the ways in which contact with foreign languages popular culture advertising the internet and e mail continue to shape english for future generations each concise chapter illuminates a moment of invention a time when people discovered a new form of expression or changed the way they spoke or wrote in conclusion lerer wonders whether globalization and technology have turned english into a world language and reflects on what has been preserved and what has been lost a unique blend of historical and personal narrative inventing english is the surprising tale of a language that is as dynamic as the people to whom it belongs

an entertaining and practical guide to the english language the king s english will teach anyone how to write and use english correctly

a simple approach for learning spanish grammar by comparing it to your first language english side by side spanish and english grammar present explanations of the essential elements of spanish grammar alongside their english language equivalents this method allows you to build on what you already know not only do you learn spanish grammar but also enjoy the added benefit of strengthening your grammar skills in your native tongue each lesson clearly explains functions and uses of the different parts of speech and includes abundant examples for each entry because the vocabulary is limited to frequently used words you can concentrate more on a sentence s structure instead of becoming tangled in its meaning a quick check section summarizes main ideas in each section and helps you retain the most important information this third edition features a new exercise section to further reinforce what you have learned

analyzing the grammar of english offers a descriptive analysis of the indispensable elements of english grammar designed to be covered in one semester this textbook starts from scratch and takes nothing for granted beyond a reading and speaking knowledge of english extensively revised to function better in skills building classes it includes more interspersed exercises that promptly test what is taught simplified and clarified explanations greatly expanded and more diverse activities and a new glossary of over 200 technical terms analyzing the grammar of english is the only english grammar to view the sentence as a strictly punctuational construct anything that begins with a capital letter and ends with a period a question mark an exclamation mark or three dots rather than a syntactic one and to load in consequence all the necessary syntactic analysis onto the clause and its constituents it is also one of the very few english grammars to include alongside multiple examples of canonical or standard language occasional samples of stigmatized speech to illustrate grammar points students and teachers in courses of english grammatical analysis english teaching methods tesol methods and developmental english will all benefit from this new edition

volumes for 1898 1968 include a directory of publishers
